

Wizard messages

Messages let one sprite tell another sprite to do something!

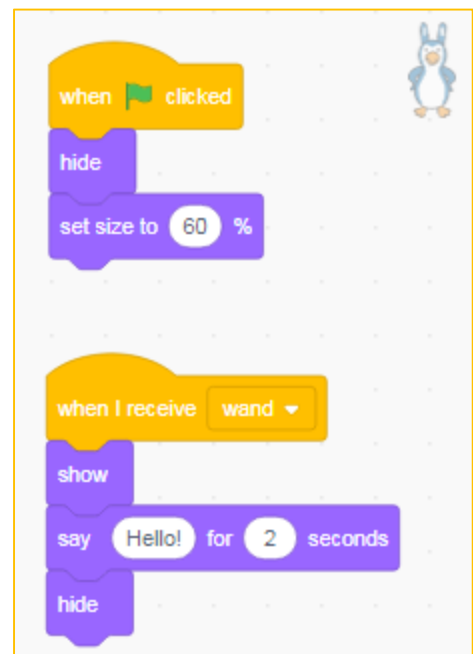

See the finished project at <https://scratch.mit.edu/projects/223217919/>.

Code below is for the wizard:

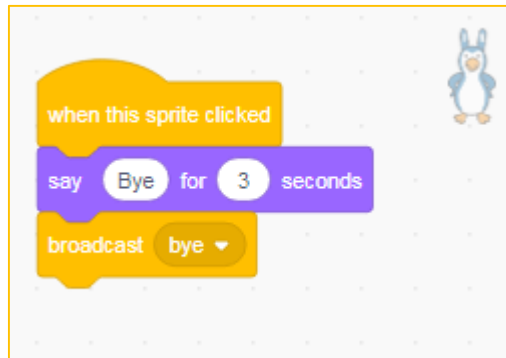

Code below is for the rabbit:

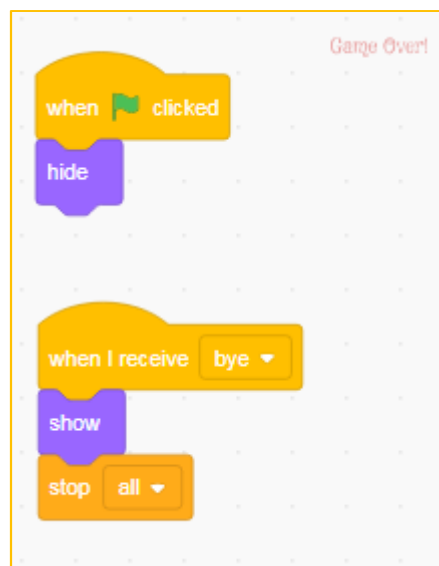

Save your project

Can you add an extra message, with a 'Game Over' sprite? The rabbit sends the message:

And the 'Game Over' sprite receives the message:

Save your project
